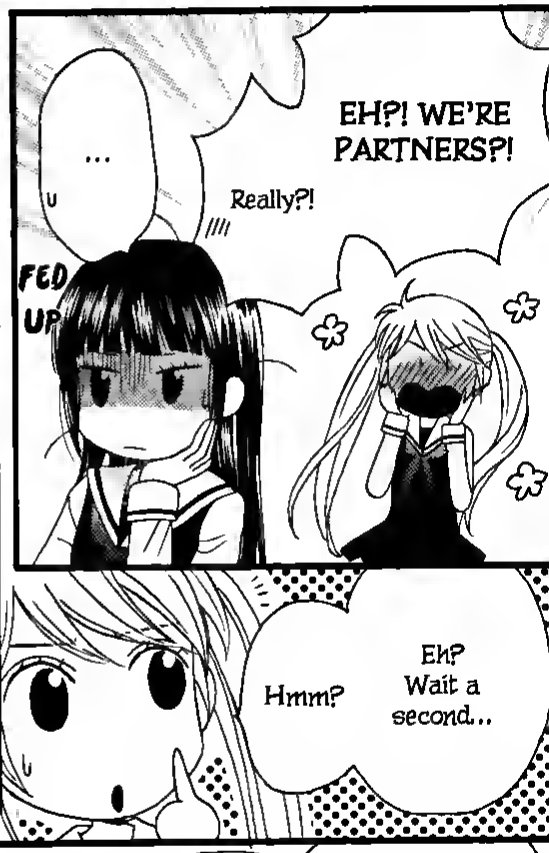
RUSTLE
RUSTLE
I have the notice of my assignment I got a while back right here!
It says plain as day that I'm assigned to Hanagaki All-Girls High School!!
Notice of Assignment
June 1, 2012
Mikami
In other words...
Yesterday, after I went home, I confirmed things with the chief!
Listen to me!!
Hey!
My assignment to Hanagaki wasn't a mistake!!
click
LIBRARY ADMINISTRATION ROOM
Well, what is it?
You know we only have ten minutes until homeroom starts, right?
I HEREBY PLACE YOU UNDER ARREST!
FOR VIOLATION OF SECTION 1, ARTICLE 15 OF THE MINOR OFFENSES ACT: IMPERSONATION OF A POLICE OFFICER
YOU'RE A FRAUD!!
POINT
You contacted... Chief Mikami?

Eh?
...
Could you repeat exactly what she said back to you?
Y... yeah...
And you asked her something like "Was my assignment here a mistake?"
Eh? Y... yeah.
Is what she said...
Are you saying you don't like your assigned school? Isn't it fine? I'm giving you a chance to get a jump-start on your career.
Hm... Well, I guess that settles it. I wonder if it's because she was in a good mood...
YOU IDIOT!! I WAS REALLY SCARED!!
I get shivers just remembering it!
Aren't you the idiot?
Did you even read this school's file before coming here?
I read it! But...
It just said that there are no particular problems with either the students or the staff. That this is just a normal, run-of-the-mill high school.

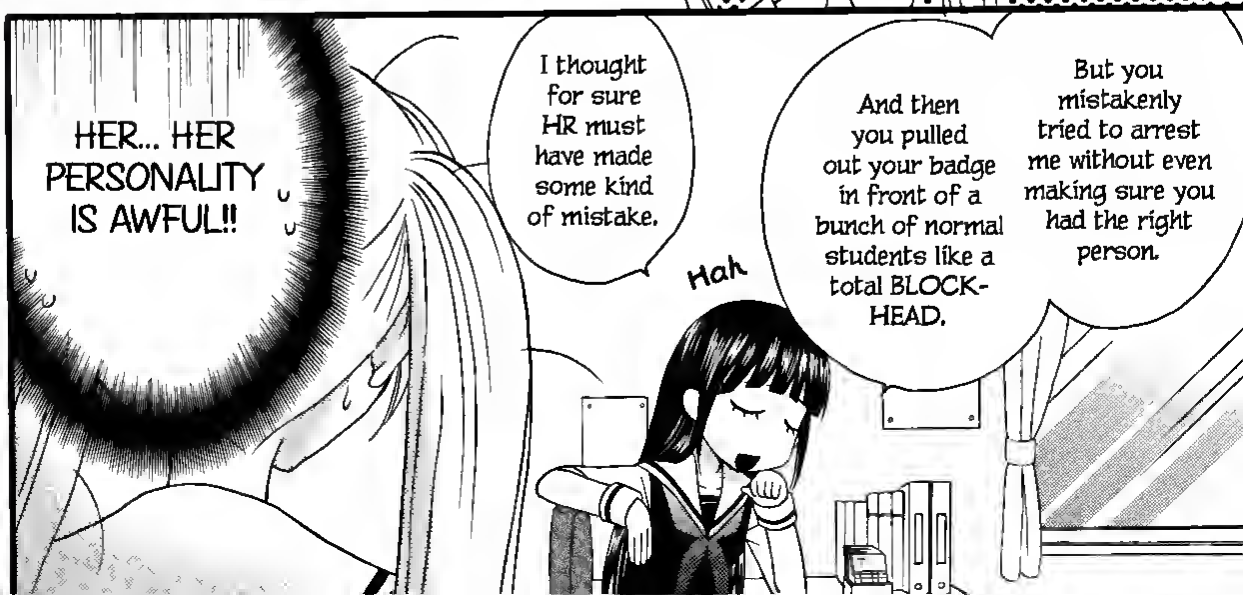
Looks like you finally realized. I never thought you wouldn't figure it out even after being here for a whole week.
Blockhead?!
As I recall
Uh... um... Sakuraba... you...
Girls High School Report File
CARELESS
Special Investigations Unit 6
Third in command
Sakuraba Midori
But there's no reason for school police to be assigned to a school like this.
The blockhead who wrote that report must not have been doing their job properly.
Their name was...
Haa
That's not it.
Eh? Ah!
You're retiring?
June
sitting
Due to a lack of qualified officers, I've been working here by myself.
But starting this month, there's to be two people stationed here.
You really don't realize?
Don't you know police officers normally work in pairs?
Eh...

Dangerous cops
That's right... In police dramas, the officers normally worked in pairs for conducting searches and stuff...
So that means...
In pairs...
Ah...
Normally, one of them just runs wild, but...

YOU'RE AWFUL!
Ah!
If you already knew another officer was being assigned here...
Then how come yesterday, you said my assignment here might be a mistake?!
Ah... that...
I did know that another officer had been assigned...



EH?! WE'RE PARTNERS?!
...
Really?!
FED UP
Hmm?
Eh? Wait a second...



HER... HER PERSONALITY IS AWFUL!!
I thought for sure HR must have made some kind of mistake.
Hah
And then you pulled out your badge in front of a bunch of normal students like a total BLOCK-HEAD.
But you mistakenly tried to arrest me without even making sure you had the right person.

CRUSHED
ズ!!
That's right.
You're a fujoshi, right?
!!
SHOCK
Ah!
There's no denying the way you acted yesterday was suspicious...
Speaking of which, what were you doing yesterday?
What I was doing... you saw, right?
Eh? Well, there was the manga you were drawing...
Ah... I think I saw this kind of thing mentioned on TV once...
No, that's not it. !!!!
AH!
Could it all be to hide your true purpose here?
Part of an undercover disguise? Should I start wearing glasses too?
Going to Ikebukuro and Akihabara...
Reading gay manga and cosplaying.
I remember about Otome Road because I thought it was such a cute name ♡
Eh? Did you say something?
I can't hear you.
mutter

Normal-Fags...

Listen up! Your assignment here as a member of the school police...
Must be kept a secret from the staff and especially the other students!
POINTING
We're here to conduct undercover activities only!
You have to take care to keep your badge hidden at all times!
CREEPED OUT

Now she's talking about people dying? This girl...
Is she really a police officer?

Ah!

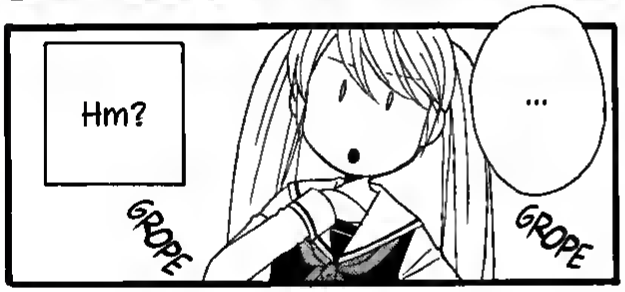
Oh no! The warning bell!



Hm?

Well, I guess it'll be okay. What happened yesterday was partly my fault too...
Let's get back to class.

GROPE
GROPE
I know that already. Jeez...
As long as there isn't any trouble, I'm not going to take my badge out.
But you know, it's a little hard to hide things in the chest of this uniform.

Um...
shiver

WHAT IS IT?
Um...
Ah...

WHY ARE YOU HALF-NAKED?!

An exhibitionist?!

my badge...
I may have... lost...

Saitou.
Here.
Hm? Sasami-san is away today?
Huh? She was here this morning...
Did she develop some kind of sudden-onset illness?
No way... She's started skipping so soon after transferring in?
Would the health committee member check into it later?
Eeh?
HUHA!
Ah ha ha ha
...
In the worst-case scenario, if we can't find her badge, we might be subjected to disciplinary measures.
Even before that, we'd be the laughing-stock of the school police!
YOU HAVE TO FIND IT NO MATTER WHAT, SASAMI!!
BUT BEFORE THEY EVEN NOTICED, THE DAY HAD PASSED...

I can't find it anywhere... What do I do...
I'm done for...
No...
rumble
rustle
rustle
rustle
No...
Hm? Sasami-san? What are you doing?
Even though I was sure I had it before I went into class...
It wasn't at the lost and found...
Could it be you've spent the whole day searching?
Did you throw something away by mistake?
Eh? Let's look for it together!
What was it? Your wallet?
rumble

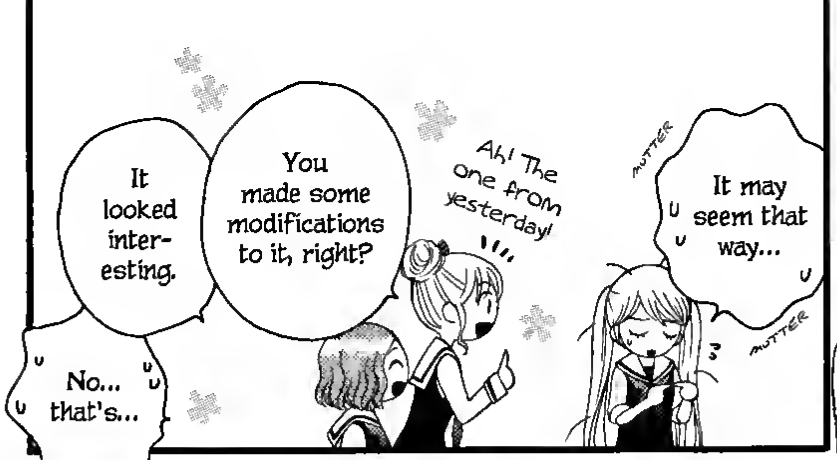
"Good morning"? School is already over.
Ah... good morning...
On Garbage Duty
We were worried about you. You missed every single class. What's wrong?



It looked interesting.
You made some modifications to it, right?
Ah! The one from yesterday!
It may seem that way...
MUTTER

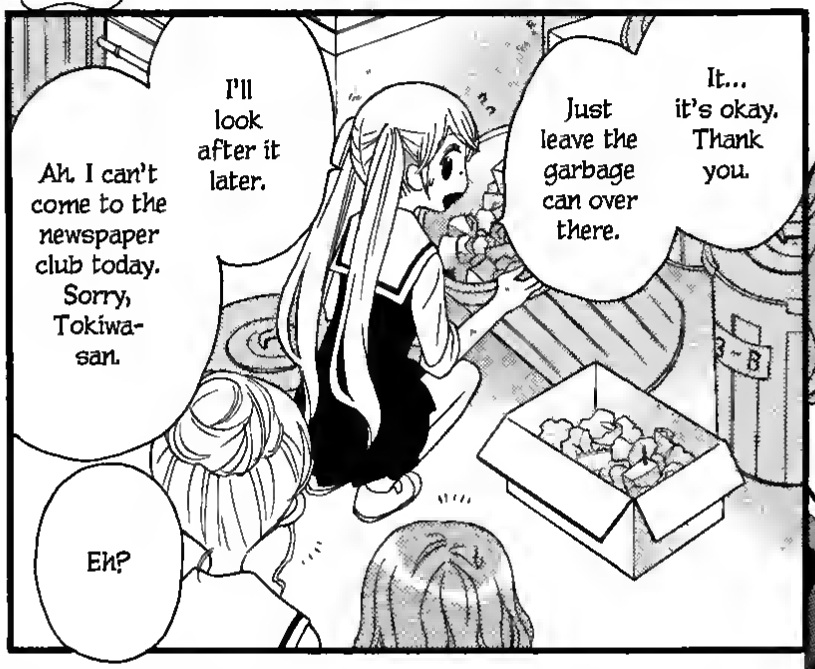
No... that's...

Eh? Your notebook?
Your notebook...
You mean your student notebook?



It... it's okay. Thank you.
Just leave the garbage can over there.
I'll look after it later.
Ah. I can't come to the newspaper club today. Sorry, Tokiwa-san.
Eh?

I'll skip collecting data today!
Okay! Let's look for it together!

Sasami... She still hasn't found her notebook?!
And now those two are helping her?!
What is she thinking?!
doki doki
This is bad. She's way too conspicuous.
...
That idiot...
Even if she makes friends...
It can't last...
Even so... she's...
way too stupid?!
As she is now, she's completely useless...
Haa
Well... it may have been BECAUSE she's useless that she was assigned here, but...

SHOCK
!!!!
CH... CHIEF!
It... It's nice to hear from you again!
buring buring
BRRRR

GRIP
It's Mikami.
Hello! This is Sakura-ba!!
Yes... Since this school is very peaceful.
It's nice talking to you again too, Assistant Officer Sakuraba.
Are you doing as well as ever?
TROPOLITAN POLICE

N... no. There aren't really any problems.
I see... Well, that's good then.
DOKIN
By the way... about your new partner...
Yesterday, she said something kind of strange... Is there a problem?
!!
...
I see... But even so...
I didn't send you to that school because it was peaceful.

Y... yes...
Don't think that you'll be given special treatment. Make sure you train her properly.

Where could she possibly have dropped it?
Are you okay?
It wouldn't be somewhere like that

More-over... those two...
Let's try over there one more time
But it looks like Sasami managed to get her not to talk about what happened yesterday.
Tokiwa is affiliated with the newspaper club...
...
The newspaper club...
...

It's not here... No matter where I search, I can't even find a single clue of where it may be...
What... what do I do...
Haa
Haa
Haa
It's already getting dark. There's no point in continuing to search today.
It's okay. Even if we can't find it...
I'm pretty sure you can get a new one from the school administration.
Don't worry
As I thought, it wasn't over there
That's no good... I have to find it...
Because... It's...

Was there something important inside it?
A student notebook definitely isn't more precious than your life.
Sasami-san...
Is this yours, Sasami-san?
This dog?
This dog's house.
Eh? Where did you find it, Sakuraba-san?
No way! This is great, Sasami-san!
Get over here

He's the one who was in the school newspaper, right?
...
He seems to have a habit of stealing things.
Ah! That's right! He stole a teacher's dentures!
I can't believe we didn't think of that!
Tokiwa-chan, you can make this into another article!
Ah ha ha ha
She... looked for it for me...
Th... thank you...
Here, Sasami-san.
Make sure not to drop it again...
And from now on...

SHIVER SHIVER
Aoba-chan really stands out. Sakuraba-san looks beautiful, too.
As I thought... This news is way more exciting than the school's seven mysteries!
CHAPTER 2 [END]

In the criminal justice system, the people are represented by two separate yet equally important groups: high school girls, who investigate crim... and... that's pretty much it. These are their stories.
Haa
I really hope I can get my driver's license soon. Chasing perps on foot is killing me.
